

Sinclair Broadcasting's smear-Kerry-documentary is a blatantly despicable plug for the right wing media and the politicians it endorses.

The law says Sinclair must serve the public interest. This 'film' doesn't do that; this film serves the narrow interest of Sinclair and its masters. Please see that they are not allowed to manipulate the law and the airwaves for their own ends. That's your job, to regulate. Please don't run and hide from your responsibility.

Sinclair's actions show why we need to strengthen media ownership rules.  
Thank you.
